POACHING

Poaching is a problem (Example) not only in Zambia but in (1) ________________ protected areas worldwide. High meat yielding large bodied (2) ________________ are the principal targets of poachers. (3) ________________ like guinea fowls and animals like elephants and rhinos are (4) ________________ for the high trade value they attract on the international markets.

In Zambia, we all realise that hunting has been traditionally done (5) ________________ the ages, perhaps because it was in an age when the forest was vast, the human population low and wildlife in extremely (6) ________________ numbers.

Many local villagers and other people living in areas reserved for wildlife use their traditional skills and knowledge of the forests to hunt and set (7) ________________ to kill the threatened animals. What (8) ________________ do not realise is that poaching has a (9) ________________ impact on the wildlife species. It is ruinous. Several animals have been stumped (10) ________________ of existence.

Poaching has led to the extinction of some wildlife (11) ________________ pushing several others to critical levels. The reduction of prey is one of the (12) ________________ serious threats to predators. Therefore, the elimination of prey (13) ________________ immediately eliminate large carnivores like the lions.

Zambia Wildlife Authority (ZAWA) has put in place a mechanism for strict implementation of the law by strategically locating anti-poaching camps (14) ________________ serve as a barrier to poaching and smuggling found in all national parks and wildlife reserves. Manned gates and
(15) ________________ movements of vehicles inside protected areas also (16) ________________ an important role in preventing poaching.

Legal hunting in Zambia is the (17) ________________ way of acquiring game meat. The hunting season for (18) ________________ residents and non residents begins on 1st September each year but the process of acquiring a hunting licence starts at the beginning of the year. Purchasing a hunting licence is easy as (19) ________________ as one is in possession of a valid and recommended hunting fire (20) ________________.
